SUMMARY

Who am I? A geeky software engineer with 3 years of experience coding in Java and 2+ years of experience with UI/UX design and development using HTML5/CSS3 & JS.

Asked by founders of Brave Initiatives to speak on behalf of them at their fundraiser.

EXPERIENCE

GIRLS WHO CODE | VOLUNTEER

August 2018 – Present | Chicago, IL

- Aid 20+ girls in developing their website projects, teaching them the meaning of various tag elements and how to design their sites well, assisting them to solve error code in HTML/CSS/JS

DON'T PANIC! CS | SECRETARY & COMMUNICATIONS COORDINATOR

August 2018 – Present | Chicago, IL

- Help coordinate meeting times for majority group members to attend, collect information from new members, record notes from meetings
- Develops hackathon attendance as group, in charge of communications through email
- Tends and keeps Twitter account @dontpanic_CS up to date

NORTHWESTERN SMARTCAR HACKATHON | PARTICIPANT

February 2019 | Evanston, IL

- Develop phone application using Cordova framework and Smartcar API as well as various Google APIs for a service to assist roadside car trouble

BRAVE INITIATIVES | CODING INSTRUCTOR/COACH INTERN

May 2018 – September 2018 | Chicago, IL

- Taught coding curriculum for HTML/CSS/JavaScript at Brave Camp, a design thinking & coding camp that empowers high school girls to be agents of change in their local communities.
- Walked the girls through building their own websites with basic web development skills.
- Worked with teams for each week and guided them to think creatively through their ideas and execute them in their sites

PROJECTS

CAMPFIRE | BACKEND/FRONTEND DEVELOPER

September 2018 – December 2018 | Chicago, IL

Led team and divided tasks to complete for cross-platform mobile application, using the Cordova framework, that connected individuals in the area for event meet-ups.

Was awarded the faculty vote and a monetary compensation at Loyola CS Department Semester Celebration.

AWARDS
